Re: ISSi-Remit Electronic Remittance Program

We are pleased to inform you of the implementation of the ISSi-Remit Electronic Remittance Program. This program will allow you to enter your employee data (hours) and submit benefit payment through a secure remittance website.

If your company is interested in using this program, please contact the Fund Office at 845-425-0210 or by email (vinnie@local754funds.org or sherry@local754funds.org) to receive an invite.

There is an Online Remittance Instruction Guide available on the website for your reference.

Looking forward to you taking advantage of this program.

Sincerely,

Vincenza Quinlan
Fund Manager
